

TCRC Division 528
“Information Bulletin”
For:
TCRC - T Members
July 2007

Recently you will have seen a \$1.40 increase in the dues that are collected from you each month.

This increase was a result of the recent 2007 TRIENNIAL MEETING OF THE PROVINCIAL LEGISLATIVE BOARD OF ONTARIO held from April 23 - April 26.

At this triennial meeting, with Division LR's representing CPR, CNR, Via Rail, CSXT and Rail America - a total of 28 Divisions, were asked to vote on a financial committee report, which included the following item:

“Have C.P. Rail conductors pay \$14.00 to this Board per month instead of the \$12.60 to achieve parity with engineers.”

Motion made by Brother Don Ashley (529) to accept the report. **SECONDED** by Brother Ray Pakylak(243).

All of the financial committee's recommendations were accepted and the motion was carried.

For your information.
