**DEMANDS FOR NEXT ROUND OF BARGAINING**

Sisters and Brothers,

Our current collective agreement expires on December 31, 2011. Therefore, the Executive Board requests demands from each Division for the next round of bargaining.

Please give serious thought to the demands you're asking for.

Each demand must be presented from the floor at a properly constituted Division meeting. It must be passed by the members present and signed by the Division President and Secretary Treasurer on Division letterhead. The demands in priority order (most important 1st) will be sent to the GST office of the General Committee.

All demands must be sent by Canada Post or courier and be in the GST office no later than June 30, 2011 as the Executive Board will be meeting in July to review them. Faxes or other electronic mailings will not be accepted.

Fraternally

Bruce Hiller
